Reply of Government.—(a) This may be done.

(b) Will be enquired into.

Summary of discussion.—The funds at the credit of Sri Chamarajewara Swami temple may be invested in Government securities.

Reply of Government.—This may be done.

Summary of discussion.—It is requested that the appropriation of Rs. 76 per month out of the Chamarajewara Swami temple funds towards the maintenance of the District Office Muzrai establishment may be discontinued.

Reply of Government.—Noted for consideration.

Summary of discussion.—The chattram at Chamrajnagar may be removed, and out of the surplus receipts of Rs. 7,000, after defraying all expenditure connected with the Chamarajewara temple, a monthly contribution of Rs. 100 may be ordered to be paid for feeding purposes in the temple Sivakutam. At present Brahmans alone are being daily fed in the Sivakutam. This arrangement is not convenient to the three different Brahman communities. It is requested that raw rations may be distributed to those that do not mess in the Sivakutam as also to Gosayis.

Reply of Government.—Referred to the Muzrai Department for report.

Reply of Government.—Referred to the Muzrai Department.

Summary of discussion.—The formation of a minor Municipality at Ramasamudram is solicited.

Reply of Government.—The Government had sanctioned a Municipality at Ramasamudram; but as some of the members represented that there was no need for a Municipality there, the same was abolished.

It was attached and taken under Government management, owing to the default on the part of two of the sharers to pay up the Government dues. This arrangement is prejudicial to the interests of minors and women co-sharers. Now that three times the Government arrears have been recovered from the income of the village, surplus receipts may be distributed among the several co-sharers from the year *Plava* according to their claims. It is further requested that as provided for in the sannad granted by His Highness the late Maharaja and Dewan Purnaiya, half of the receipts
